#### SHOW DIRECTOR REPORT

Few changes have taken effect in the last year.

Reminder that hip and elbow certification are required now for the show working class and for Breed Surveys.

Breed Surveys are no longer separated in class 1 and 2.

Note that Breed Surveys are now being processed by Sandy McAllister, her contact information is in Shepherd Sports.

Updates have been made to the Show Program to make it current. Such changes are noted in the Policy Manual on the GSSCC website.

Looking forward to this year's Regional and National sieger shows.

Respectfully,

Rachel Haslett
